Budget Pay Enrollment Form

Pay the same amount each month, year-round.

Our Budget Pay program evens out your monthly electric bill. Instead of having higher bills in some months and lower bills in others, you pay the same monthly amount, year-round. It makes budgeting for your electric bill a snap!

New Budget Pay plans are set up in March. A minimum 12-month satisfactory billing history and a \$0 balance are required for enrollment. Budget Payment amounts are based on prior electric usage and are adjusted each March as needed. Accounts not kept current will be switched back to standard billing.
