Vehicle Wash Program

**EARN \$300 FOR YOUR
NONPROFIT GROUP**

**COLUMBIA RIVER
PUD**
A COMMUNITY-OWNED UTILITY

Vehicle Wash Program

Local nonprofit groups that are raising money are invited to apply to wash Columbia River PUD vehicles, including bucket trucks, service trucks, passenger cars, and sport utility vehicles.

What is the benefit?

In exchange for washing approximately 10 vehicles, the group will receive \$300. Two groups will be chosen each month.

Are supplies provided?

CRPUD will provide all necessary supplies, including hoses, spray nozzles, brushes, washing mitts, buckets, and soap.

Who can help?

Qualifying groups must have 6-8 volunteers. Children age 12-17 may participate, provided there are at least two adults who

will supervise all participating children. All washing will be done from the ground. No climbing on vehicles is permitted.

When are the washes?

Vehicles are washed once a month from April through October. Washes are scheduled for the second Saturday of the month between 9 a.m. and 12 p.m.

How to sign up:

Please submit the vehicle washing application form to apply to participate in this program. If there are more groups interested in washing than dates available, a lottery will be held to randomly select groups to participate this year.
