

Clothes Washers & Dryers

Rebate Application & Information

ENERGY EFFICIENT APPLIANCES SAVE MONEY

Energy-efficient appliances use less water and electricity, which means less energy waste and lower bills for you. Today's energy-efficient appliances offer the useful features that you want, and our rebates help make them more affordable than ever.

We offer rebates for new ENERGY STAR® qualified clothes washers and electric clothes dryers that are installed in new or existing homes or businesses within our service area.

Rebate Amounts

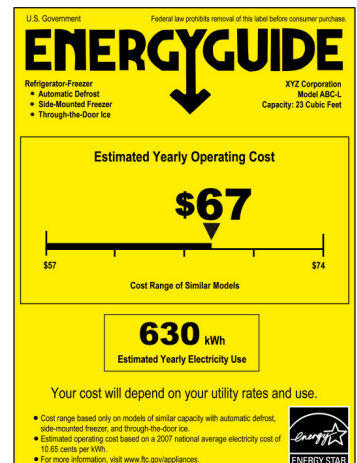

- Clothes Washer - electric hot water heater - \$50
- Clothes Washer - gas, propane or oil hot water heater - \$20
- Electric Clothes Dryer - \$25
(must be purchased after October 1, 2015)

Program Requirements

- Clothes washers must be ENERGY STAR qualified. Top load washers must have a minimum Integrated Modified Energy Factor (IMEF) of 2.38. IMEF is a measure of energy efficiency. The higher the number, the more efficient the product. This information is found in the owner's manual or at www.energystar.gov.
- All ENERGY STAR qualified front load clothes washers are eligible.
- Clothes dryers must be electric and ENERGY STAR qualified.
- See a full list of qualifying appliances at www.energystar.gov/products.

Step-by-Step Procedure

1. Purchase a qualifying ENERGY STAR appliance from the dealer of your choice.
2. Complete and submit this rebate application, along with a copy of your sales receipt and the yellow Energy Guide tag that was attached to your newly purchased appliance.
3. We will process your application within three weeks. If it is approved, we will credit your account. If it is not approved, we will mail you a letter explaining why.
